## **Women's International League for Peace and Freedom to Donate Books at the Cedar Clinton Library on July 10**

The Fresno branch of the Women's International League for Peace and Freedom will donate a special selection of books to the Cedar Clinton Branch Library on Friday, July 10, at 1:00 PM. At this special ceremony, winning titles from the 2014 Jane Addams Children's Book Awards will be presented to the Library.

The Jane Addams Peace Association was founded in 1948 "to foster a better understanding between the people of the world." Since 1953, the organization has annually honored outstanding children's books promoting peace, justice and equality.

"The ideals of peace and equality represented by these books are the same qualities exhibited by the late Betty Rodriguez" said County Librarian Laurel Prysiazny. "Once the Cedar Clinton branch has relocated and the new Betty Rodriguez Regional Branch Library is open for business, these books will become an integral part of the children's' collection. The Library is honored to receive this generous donation and humbled by what they represent to the community."
