

Make A Difference In A Child's Life

- The Fresno County Public Library is looking for individuals 14 years and older to read to children in the Library.
- Do you have some free time? Are you interested in sharing a book with a child? As part of the Grandparents/Grandreaders and Books (GAB) Program you can make a difference in a child's life as you share books with children in the library.
- Training workshops are held once a month for those interested in becoming a Grandparents/Grand readers and Books participants.
- An experienced children's librarian will give you an overview of the program, an orientation to books and specializes training in the use of puppets, flannel board stories, and other materials.
