**Teague Library Moves to New Location**

The Fresno County Public Library will open the new Teague Library at its new location on October 15, 2019 at 2:00 PM. The old location was housed inside Teague Elementary School in northwest Fresno. The new location will be in the Granville-Teague Community Resource Center located right across the street from the school at 4718 N. Polk Ave, Fresno.

The school was founded in 1911 and has operated continuously since that time. The school hosted a Fresno County Public Library branch from 1932 – 1950 at that location. In 2014, the branch was re-opened to serve the area residents.

The new location will offer a bigger collection of materials to borrow from. There will be four computers for the public to use, and the hours will expand from 12 hours per week to 16 hours per week. There is also a study room that is available for public use, but those who wish to use the study room must reserve it first.
