CEREMONY TO HONOR LOCAL ADULT GRADUATING CAREER ONLINE HIGH SCHOOL PROGRAM

FRESNO, CA - Join us on Saturday, June 21, 2025, for a special graduation ceremony to celebrate the hard work and success of graduate Rosa Lopez, a resident of Clovis, earning her diploma through Career Online High School. Fresno County Public Library Director Sally Gomez will commemorate the occasion with the presentation of the high school diploma.

Through a scholarship program offered by Fresno County Public Library, local adults can earn a nationally accredited high school diploma online.

According to the U.S. Census Bureau, 22% of Fresno County residents aged 25 and older do not have a high school diploma - a difficult roadblock when it comes to applying to college or advancing in a career.

To date, nine Fresno County residents have graduated from the Career Online High School program through the library.

We hope you'll join us to honor this student, hear her story about what a second chance at education means to her, and learn more about the program and its benefits.

The event is open to the public and media. Attendees will have an opportunity to hear directly from Rosa, learn more about the program, and connect with library staff about earning their high school diploma.
